Dear Parents/Carers,

We are keen to extend the extra-curricular opportunities that the academy offers and take part in music events, sporting festivals and fixtures. Please take a moment to review the planned activities below and return the slip via the post boxes before Tuesday 18th July. There will be more information in September and a reminder about which clubs your child has elected to attend. Please discuss with them that they are making a commitment for a half term at least. Reserve lists will be drawn up for popular clubs and they will run again with a different group of pupils if over-subscribed, where possible. In the current financial climate we are asking for a small contribution to cover the cost of materials of £1 a week. Where clubs are provided by external agencies we are passing on the cost of £2 per week. All providers undertake an induction to the academy safeguarding procedures.

Autumn 1 - Sept to Oct - Clubs will continue until Christmas but may change at Oct ½ term due to popularity. Once FS2 have settled in we will look to offer more opportunities for them to join the KS 1 clubs.
