Dear Parent/Carer

Year 6 are taking part in the 'grow two pounds' fundraiser to try and raise money their SATs treat. The idea is to use this £2 and make it grow. All money raised will go towards a treat after SATs; this could be a trip within school time or something at school e.g. giant inflatables on the field.

Here are some ideas:

- Buy a sponge and some washing up liquid and offer to clean your neighbours' cars
- Buy some ingredients and make some cakes/ biscuits for friends and family
- Make up a sponsorship form and do something interesting; sponsored skip, goal-scoring, sing-along, sponsored silence – unleash your talents
- Guess how many sweets are in the jar – spend your £2 on a jar of sweets and charge people to guess how many are in the jar. Winner gets the sweets.

Of course, you may have some better ideas so feel free to unleash the junior apprentice within.

Please note, if you want to sell buns/cakes in school these would have to be shop bought and clearly identify the ingredients in them. This is simply due to allergies and medical needs within school. However, you are more than welcome to bake at home and sell these outside of school. Please contact school if you have any further questions about this.

Any money raised should be recorded on the amount sheet, which will be sent out closer to the time, and a payment request for this amount will be added to ParentPay. The money should be paid on ParentPay by Friday 26 April.

Yours faithfully

Miss R Hanby
Associate Senior Lead
