Dear Parent/Carer

As part of Year 6 PSHE topic in the final half term, we will be covering RSE (Relationships and Sex Education).

These are the aspects of RSE we will be covering:

- Pupils learn about the changes that occur during puberty (both male and female).
- Pupils learn to think about and discuss relationships, what they are, and how to keep happy and safe in them.
- Pupils learn about the dangers of grooming and how to spot signs to help prevent CSE (child sexual exploitation).
- Pupils learn about human reproduction in the context of the human lifecycle including conception, pregnancy and birth.
- Pupils understand the need for rules and laws, and that children have rights.

We use several resources to help us teach these objectives including the Barnardo's Charity Scheme 'Real Love Rocks'. Should you wish to view these materials or discuss any aspect of the RSE curriculum that will be delivered, please feel free to contact school.

A copy of the schools RSE Policy can be found on the school website.

Yours faithfully

Miss R Hanby
Associate Senior Lead
