Dear Parents/Carers

Tour of Britain

It is wonderful to welcome the children back to school! They have returned enthusiastic and ready to learn – it is genuinely lovely to see.

We have some exciting news!

As many of you probably already know, tomorrow, at approximately 12:25pm, the Tour of Britain Cyclists will be riding past school. Our pupils will be lining the street outside school, waving flags and cheering them on.

As part of this event, cameras may be following the cyclists, which means there is a chance that children will be on TV (ITV4), even if only briefly. The Trust will also be taking photographs to capture this memorable event. Therefore, if you do not wish for your child to be photographed/filmed, please let us know as soon as possible so that we can organize for your child to stand somewhere else to watch.

We also anticipate some delays or disruptions as we are aware that the road outside the school will be closed. We are unsure of when they plan to close/re-open the road, but we are under the impression it shouldn't be any longer than 30 minutes before and after the event. Therefore, it should not affect drop-off and pick-up points.

Yours faithfully

Miss Jepson
Principal
