Dear Parents/Carers

At Ravenfield Primary Academy, we are committed to fostering a positive and respectful learning environment where children feel safe, valued, and supported. As part of this commitment, we wish to highlight the importance of maintaining respectful conduct between parents, carers, and members of staff.

Children learn not only from what they are taught in the classroom but also from the behaviours and interactions they witness in their everyday lives. As role models, the way we communicate and engage with one another has a significant impact on the attitudes and values our children develop. By demonstrating kindness, patience, and mutual respect, we help nurture a culture of empathy and understanding.

We kindly ask that all interactions within the school community—whether with staff, other parents, or carers—are conducted with courtesy and respect. This includes face-to-face conversations, phone calls, emails, and social media interactions. Any form of aggressive, intimidating, or disrespectful behaviour is not acceptable and can have a negative effect on both staff and children.

Our dedicated staff work tirelessly to support your child's education and well-being, and we appreciate the positive relationships that have been built between school and home. We encourage open and constructive communication and welcome any concerns to be raised in an appropriate and respectful manner.

By working together and treating each other with respect, we set a powerful example for our children and contribute to a positive and harmonious school environment. Thank you for your cooperation and for being valued members of our school community.

If you have any questions or concerns, please do not hesitate to contact school.

Yours faithfully

Miss Jepson  
**Principal**
