Ravenfield Primary Academy

**Welcome to  
Year One**

# All about Miss Roberts

## *My favourite subject is:*

English because it's such a creative and imaginative subject. I've always loved how stories, poems, and different types of writing can take us to new places, make us feel different emotions, and help us make sense of the world.

## *My favourite colour is:*

**Pink!**

If I'm out shopping for a new bag, outfit, or pair of shoes, I'll always be drawn to something pink.

## *My favourite animal is:*

I adore all animals! I'm not sure if I could ever choose a favourite- but I have recently developed a new love for Elephants. Here is me meeting one-

## *My hobbies and interests:*

- Spending time with family and friends.
- Swimming
- Travelling
- Shopping of course!

## *Interesting facts about me:*

- I'm 22 years old and have just completed three years of teacher training. Here at Ravenfield Primary is my first teaching position as a qualified teacher!
- I have been a waitress and barmaid for 5 years whilst studying.
- The football team I support is Sheffield United.

## *Something I am looking forward to next year:*

- Finally having my dream job being a teacher!
- Being able to teach children in a fun and exciting way.
- To support and watch my lovely Year One class achieve amazing things!

## Y1 expectations:

- Bring PE Kit every Monday and Tuesday as they are our PE days.
- Read as much as possible at home to help with fluency and writing.
- Follow classroom rules and routines.
- Work and play cooperatively with others.
- Develop independence in organising their belongings.
- Show kindness, respect, and good listening– represent the values of our 3 classroom friends:

- Be resilient!

# Overview of learning

## Long Term Planning 2025-26

Churches and synagogues: What can we find out?	What stories about Moses do Jewish and Christian people love to remember?	The power to make a difference. What can we learn from stories and prayers of Jesus?

# Autumn 1

Ravenfield Primary Academy

## Year 1 – Learning Journey and Homework menu

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is all about: **How did Florence Nightingale inspire the nurses of today?**

### Homework Menu

- Please read with your child at least 3 times a week. Make a note of this in your child's planner so reading can be rewarded on a Friday.
- Practice reading the phonics books that are sent home with your child.

#### Suggested activities:

- Interview someone who is a nurse or someone who experienced the COVID pandemic.
- Research how nursing has changed over the years.
- Create some artwork inspired by Florence Nightingale

### Reminders

- Just a reminder, our PE days are Monday and Wednesday.
- Nurse visit in school – date to follow.
- We will be taking part in a Christmas performance

### Learning Journey

**English** – We will be writing narratives based on the traditional tale 'little red riding hood'. We will focus on retelling and describing the characters. We will begin to build children independence in writing and continue to use the RWinc handwriting scheme to support letter formation

**Maths** – Pupils will follow the 'White Rose' scheme of work. This half term we will cover the following units:

- Place value (within 10)
- Addition and subtraction (within 10)

**Science** – In Year 1 we will explore materials, we will be looking at the difference between objects and materials as well as look at the properties of different materials. We will conduct investigations to decide which materials are most suitable for making a rain mac based on their properties. We will also begin to look at Seasonal change and observe the signs of Autumn.

**History** – Year 1 will explore significant historical events in their own locality, we will use the figure of Florence Nightingale to understand her impacts on nursing today comparing her work to that of nurses during the pandemic of 2020. We will have the opportunity to ask out questions to a nurse.

**Art**- In art we will be focusing on sketching to create observational drawings and portraits.

**Computing**- Children will develop their basic computing skills to log on safely. Children will also learn about technology all around us as well as their self-image online.

**RE**- Children will be exploring the theme of belonging in RE.

**PSHE**- In PSHE children will be exploring the caring school and Feelings, friends and friendships
