

4/9/25

Dear parent/carer,

We hope you've all enjoyed a wonderful summer! It's been lovely to see your little ones back at breakfast club over the last few days.

We're excited to introduce Cathrine (she prefers to be known as Cat), our new wraparound care coordinator. Many of you may have already met her during breakfast and after school clubs this week! Cat has a wealth of experience with children and is brimming with fun activity ideas to keep everyone engaged.

In the coming weeks, we'll be working on a fantastic plan of activities for the next half term which we can't wait to share with you. We'll also be launching some after-school 'taster' sessions on Wednesdays and Fridays that will last about 1 to 1.5 hours. These sessions will have different themes to keep things fresh and exciting! Once everything is finalised and approved by the school, we'll send you all the details. We'd love to hear any ideas you might have, so please feel free to email us at [ravenfield@funhubactivities.co.uk](mailto:ravenfield@funhubactivities.co.uk) or give us a call on 0800 1932386.

To book a place at the club you will need to create an account with our book app which is Class4Kids - <https://the-fun-hub.classforkids.io>

If you want to use your Tax Free Childcare Account to pay for your sessions please drop and email to [enquiries@funhubactivities.co.uk](mailto:enquiries@funhubactivities.co.uk) and we will book your sessions and create an invoice for you. All you will need to do then is let us know when you have authorised the payment and pay any top up you may have to clear the account. For more details on how the Tax Free Childcare Account works or to open an account follow the link - [Childcare & Early Years Education | Best Start in Life](#)

We're truly looking forward to sharing amazing experiences with your wonderful children!

Warm regards,

Team Fun Hub
