

School Nursing Team

Rotherham Children's Public Health Nursing Service
School Nursing Team

What to expect from this presentation?

This presentation aims to provide you with information on the school nursing service and your local school nursing team

School Nursing Teams

Our teams are made up of School Nurses, Staff Nurses and Support Workers

We deliver a service to all children and young people attending school in Rotherham

We also accept referrals to support those families who choose home education and live in the Rotherham area.

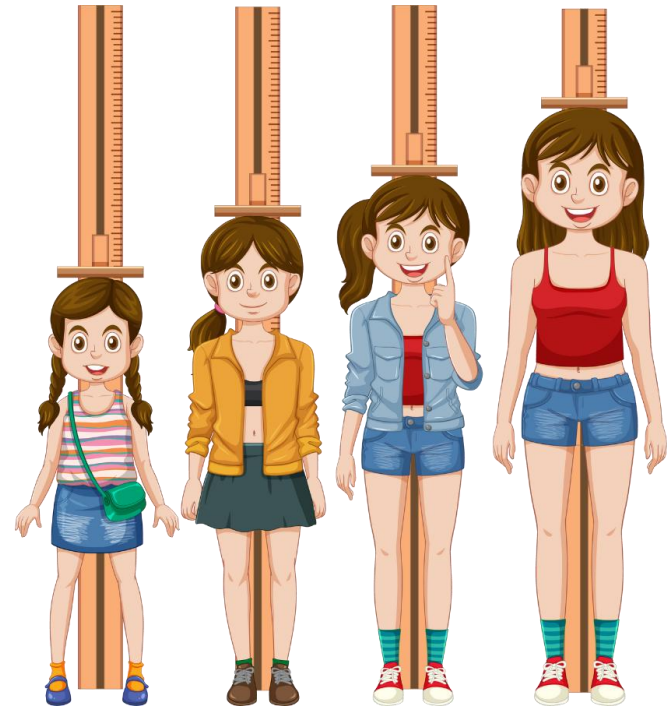

Health Promotions

We offer information, support and advice on a variety of topics to schools, children, young people and families such as:

- ❖ abuse and exploitation
- ❖ bereavement
- ❖ bullying
- ❖ emotional health
- ❖ enuresis
- ❖ healthy lifestyles
- ❖ neurodevelopment concerns (via telephone)
- ❖ oral health
- ❖ personal hygiene
- ❖ puberty
- ❖ relationships
- ❖ risky behaviours and issues related to alcohol and drugs
- ❖ sexual health
- ❖ sleep hygiene
- ❖ smoking and vaping

NCMP (National Child Measurement Programme)

Height and weight checks will be completed in Rotherham primary schools, with follow up support where there are concerns about a child's growth or weight

Health Clinics

Health clinics are run throughout Rotherham secondary schools

Pupils can access information or discuss any issue affecting their mental or physical health
