17<sup>th</sup> July 2020

Dear Parent/Carer

I wanted to write as we have come to the end of term. Arriving at Ravenfield last September I could not have imagined what this year would bring! I would like to take this opportunity to thank you once again for your support through these uncertain times. It has been a real pleasure and privilege to be part of the Ravenfield community during this time of Covid-19.

It has been wonderful to welcome some of the children into school whether as part of our key worker bubble or in FS2/Y1 or Y6. I am always aware that we are missing so many of you (the most that we have had in school on any one day has been 48) and I cannot wait to welcome you all back in September. Teachers are busy planning exciting topics but I know that the thing that many of the children have missed the most is their friends. It will be great to see your smiles and hear your screams and laughter on the playground.

The lockdown in March has been especially difficult for our current Year 6 children. All of the traditional end of year events and activities have been unable to happen. I know this has been a real disappointment for all of you. We will not let your leaving go unmarked and will let you know a date and details of a leaving celebration in the first half term back after summer. We are so proud of all of our Year 6 for how they have adapted to the situation and I wanted to assure you that we are making plans. I also wanted to say to the Year 6 that you are always welcome to pop back to school and let us know how you are getting on. Teachers love to hear about what you are doing.

Thank you once again for your support. After a full academic year at Ravenfield Primary Academy I realise it is a very wonderful place, with special children and families. Have a wonderful summer and I'll see you soon.

Caroline Coates
