

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is...

## Homework Menu

- Try to read for at least 10 minutes each day. Don't forget to sign your planners so you can be entered into our raffle!
- Practice spellings, remember, these are tested weekly!
- Practice spelling patterns by playing games on spelling shed.
- Log onto TT rockstars and battle against your friends or perhaps complete a soundcheck.
- Access Spag.com fortnightly

## Reminders

- Our PE days are **Monday** and **Wednesday** so we ask that children could bring their PE kits on these days.

## Learning Journey – What makes North America's climate so unique?

**English** – In English, we will be writing a balanced argument on whether the Vikings deserve the reputation they have today. We will also be writing a fact file based on North America which links to our Geography topic.

**Maths** – We will be following the Whiterose scheme of work covering the following units: multiplication & division, fractions, decimals & percentages, perimeter & area and statistics.

**Science** – We will be completing the Biology unit 'Living things and their habitats' where we will learn about how plants reproduce and the life cycles of different mammals, amphibians and insects and birds.

**Design & Technology** – We will be looking at the diversity of foods in different American climates as well as the cultural significance in Mexican cooking and how food is influenced by other countries.

**Geography** – We will be identifying countries and capital cities in North America. We will also research North America's biomes.

**Spanish** – We will be learning words associated with sports and hobbies. We will be learning how to express opinions about different sports and our preferences.

**Computing** – We will be creating vector drawings using different drawing tools to create images, increasing the complexity by moving, resizing, rotating, and changing the colours.

**PSHE** – This half term we are focusing on healthy lifestyles.

**RE** – We will be learning about the five pillars of Islam and why they are important.
