

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is:

## Homework Menu

Your child should read their **Phonics or chosen library book** reading book at home at least three times a week. This book will be sent home every Friday and is one that the children will have been practising in their lessons throughout the week.

For **Maths**, there are a range of online resources such as Top Marks, where your child can play fun and engaging maths games. This term, we are focusing on multiplication and division.

Topmarks

## Learning Journey

**English-** This term, we will be writing about explorers. We will be doing this via a letter from Amelia Earhart explaining her adventures. We will also finish the half term writing a poem about the sea and linking this to Ernest Shackelton's time at sea.

**Maths-** In Maths, we will be covering multiplication and division. We are also going to have a focus on key arithmetic skills such as column addition and subtraction.

**Science-** In Science, children will be learning about living things and their habitats. They will explore a range of habitats and learn how plants and animals are suited to the environments they live in. Children will also learn that living things depend on each other for survival and will be introduced to simple food chains to understand how animals get their food.

**History –** Key Question: Who is the greatest explorer?

**Art-** Clay sculpting in the style of Yayoi Kusama.

**PSHE –** Healthy lifestyles

**RE –** Questions about God.

**PE –** Invasion games. Net and wall games.

## Reminders

- **Just a reminder to bring PE kits on Thursday and Friday.**
- **Library books to be returned every Wednesday for the swap.**
- **Phonics books to be returned every Friday for the swap.**
