

RE at Ravenfield Primary Academy

Religious Education has a significant role for the development of pupils' spiritual, moral, social and cultural development. At Ravenfield Primary Academy, it is our intent that R E will help our pupils to develop respect and tolerance of others with different beliefs and values and will promote religious understanding, challenging prejudice, discrimination and stereotyping.

Religious Education is taught in accordance with the *****Agreed Syllabus for RE from Foundation Stage to Key Stage 2 and will:

- provoke challenging questions about the meaning and purpose of life, beliefs, the self, issues of right and wrong, and what it means to be human.
- encourage pupils to explore their own beliefs (whether they are religious or non-religious).
- enable pupils to build their sense of identity and belonging.
- teach pupils to develop respect for others.
- prompt pupils to consider their responsibilities to themselves and to others.
- promote community by providing opportunities to investigate patterns of diversity of religion and belief and forge links with different groups in the local area
