

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is: **How does your garden grow?**

## Homework Menu

- Go on a walk in your local area and hunt for signs of Spring. Can you spot any flowers growing? What's the weather like? Can you see any animals?
- Draw a picture of a plant. What colours do you need?
- Don't forget to share your library book with your family and record this in your reading record 3 times a week to earn a house point. You can also record other books you read at home too!
- Go on a minibeast hunt – how many different mini-beasts can you find?

## Reminders

- Our library day is Wednesday – send bookbags into school
- At the end of this half term, we are inviting families in for a Spring themed Stay and Learn art gallery – Wednesday 25<sup>th</sup> March 2.30pm

## Learning Journey

- Nursery are learning about Springtime and plants during this half term. Our topic is called How does your garden grow?
- The core texts we will be reading are: information books about growing plants, One Bean and The very lazy ladybird.
- In Maths, we will be comparing and sorting objects, solving puzzles and making patterns together.
- We will be growing beans! We will observe the changes that happen over time and find out what a plant needs to grow. We will also be drawing and painting flowers. You will have the opportunity to buy your child's artwork at the spring themed art gallery.
