

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is...

Homework Menu

- Complete and return Maths homework that is set each Friday.
- Complete SPaG.com homework that is set fortnightly.
- Practice spellings by completing your spelling shed assignments.
- Try to read for at least 10 minutes each day. Don't forget to sign your planners so you can be entered into our raffle!
- Log onto TT rockstars and battle against your friends or perhaps complete a soundcheck.

Reminders

- Our PE days are **Wednesday** and **Friday** so we ask that children could bring their PE kits to change into on these days.
- Viking workshop at Maltby library on **20th March**,

Learning Journey – How will climate change affect our future?

English – In English, we will be writing a persuasive speech which links to our Climate change topic. We will also be writing a character description.

Maths – We will be following the Whiterose scheme of work covering the following units: fractions, decimals and percentages, perimeter and area and statistics.

Science – We will be focusing on the Biology unit 'Animals including humans'. In this unit, we will explore the life cycle of humans and how we change as we grow older.

Design & Technology – We will be looking at natural disasters such as flooding and will design and build our own flood-proof house.

Geography – We will be identifying different climate zones and how they vary across the world with a focus on North America.

Spanish – We will be learning words associated with the weather.

Computing – We will be programming quizzes.

PSHE – This half term we are focusing on the world of drugs and the impact they have.

RE – In RE, we will be exploring what it means to belong to different religious communities.
