Dear Parents/Carers

Breakfast Club and Wraparound Care

I am writing to update you on our plans for breakfast club and wraparound care following the recent announcement that The Fun Hub will be withdrawing their service. I fully appreciate the uncertainty this has caused for families, and I want to reassure you that we are working hard to ensure that childcare provision continues with as little disruption as possible.

Wraparound Care (3:15–6:00pm)

We are pleased to share that wraparound care will be delivered by an external provider, POPs, who have significant experience in offering high-quality childcare. Further information will follow from POPs themselves.

POPs will run their after-school provision at the Flanderwell Primary School site. They will collect children from Ravenfield at the end of the school day and transport them safely using their own minibus. This arrangement will ensure continuity of care while we work together on a longer-term solution.

Looking ahead, if demand for wraparound care increases, POPs are keen to explore offering this provision on the Ravenfield site. We will keep you updated as this develops.

Breakfast Club

Breakfast Club has been more challenging to secure immediately. From September, POPs will also take over the running of this provision.

Until then, Breakfast Club will continue to operate, supported and staffed by school staff. We are currently finalising which staff members will be leading this, and we will confirm these details as soon as possible. Please be assured that maintaining a Breakfast Club service is a priority, and we are committed to ensuring it remains available for families.

Thank you for your patience and understanding while we work through these changes. Our aim is to provide a smooth transition and a reliable, high-quality childcare offer for all families. If you have any questions or concerns, please do not hesitate to get in touch.

Yours faithfully

Miss Jepson
Principal
