

HAVE YOUR SAY ON ROTHERHAM'S LIBRARIES

Rotherham Council is developing a new Library Strategy for 2027 to 2032 and we want to hear from you. This consultation will run throughout March and will close on the 28th April 2026.

Our libraries are places to read, learn, create, connect and access support. As we plan for the years ahead, your views will help us make sure our libraries continue to meet the needs of local communities.

Whether you're a regular visitor, drop in now and then, or don't currently use libraries, your feedback matters. Tell us what works well, what could be improved and what you would like to see in the future.

Our vision is for libraries that:

- Sit at the heart of local communities
- Are well-used, cost-effective, and responsive to changing needs
- Offer modern technology and up-to-date resources
- Act as neighbourhood hubs that improve quality of life
- Inspire everyone to enjoy reading and learning
- Are inclusive of everyone
