

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is...

Homework Menu

- Try to read for at least 10 minutes each day. Don't forget to sign your planners so you can be entered into our raffle!
- Complete weekly Maths homework and return on Fridays.
- Practice spellings using spelling shed assignments.
- Log onto TT rockstars and battle against your friends or perhaps complete a soundcheck.
- Use Spag.com fortnightly.

Reminders

Our PE days are **Tuesday** and **Friday**, so we ask that children bring their PE kits on these days.

National Space centre trip – Tuesday 5th May

Learning Journey – Do we all have the same Moon?

English – In English, we will be writing a narrative based on the novel 'Cosmic' which links to our space topic. We will also be writing a character description.

Maths – We will be following the Whiterose scheme of work covering the following units: Decimals & percentages, perimeter & area, statistics and shape.

Science – We will be looking at space as part of our Physics unit. We will explore the different planets and their movements.

History – We will be exploring events of the Space race and creating a timeline to show significant space events.

Art – We will be researching the work of Peter Thorpe and creating our own pieces using similar techniques and styles.

Spanish – In Spanish we will be learning key words to talk about our hobbies and interests.

PSHE – This half term we are focusing on economic wellbeing.

Computing – We will be using real life databases to ask questions and find answers.
