

Rotherham Dementia Carer Support

Is someone you care for
experiencing memory loss,
forgetfulness, confusion or other
effects of dementia?

If yes, we are here to help.

When a relative, friend or someone you directly care for is experiencing symptoms of dementia, it is good to know that neither you, nor they, have to be alone to meet the challenges ahead.

We are here to help you live well with dementia.

1-to-1 support

We know that being a carer can be challenging at times, which is why our friendly and compassionate team are with you every step of the way to make sure you receive the best possible support.

Memory cafés

Our cafés offer yourself, and the person you care for, the chance to meet others in a similar situation in a positive and relaxing atmosphere.

You can meet professionals and other carers and share knowledge with people who have first-hand experience of caring for those living with dementia.

All our cafés feature live entertainment.

You can arrive from 1pm onwards to our cafés for support. Our staff are available from 1pm until 4pm, with activities starting from 1:30pm to 3:30pm.
