

Year 1 – Learning Journey and Homework Menu

Ravenfield Primary Academy

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please don't hesitate to ask.
Our new learning journey is: Is there anyone out there?

Homework Menu

- Read your phonics books at least 3 times a week. Parents to record this in planners so that can children can be entered into our raffle.
- Watch any phonics videos that are shared..

Topic ideas:

- Build a rocket using recycled materials.
- Star counting – count how many stars you can see at night.
- Invent your own alien, draw or make them.
- Design your own planet
- Practice counting backwards from 20 like a rocket launch. Challenge yourself to count back from 30.

Reminders

- PE kit should be brought into school on Mondays and taken home on Fridays,

Learning Journey

English - In English we will be completing transcription that links to both our phonics and topic.

Maths – In maths we will be completing work on the following topics: place value and addition and subtraction .

Science – In science lessons, we will be learning about 'everyday materials' In this topic, the children will learn about different materials, the properties of them and comparing and grouping materials/

History – In History, we will be learning about Helen Sharman and Neil Armstrong and what they achieved.

Computing - In computing, we will be completing a unit about technology all around us.

Art – In art we will be exploring how to make a spirals in a range of ways (drawing, collage and sculpture).

PSHE – In PSHE our topic is feelings, friends and friendship.

PE - During our PE lessons this half term, we will be completing the units fundamentals and team building.

Music – In music, we will be learning about keeping the pulse.
