

Year 2 – Learning Journey and Homework menu

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is all about: How do we look after each other and the world we live in?

Homework Menu

Reading - please encourage your child to read at least three times a week and sign their planner to show that they are reading regularly. Planners are checked every Friday. If your child has read three times or more, they will receive a raffle ticket which may result in a free book. We will continue to send books home weekly.

Topic ideas. Do something kind for someone in your community. Write a letter to thank someone in your community. Create a two times table poster. Draw a map of your local community.

Times Tables - Practise times tables (2,5 and 10's) using TT Rockstars.

Reminders

- Please ensure PE kits are brought to school each Monday and taken home each Friday.
- Please support your child's reading each week and sign their planner once you have read together.

Learning Journey

English – We will be writing a character description, a setting description and a simple narrative based on our topic about looking after each other and the world we live in.

Handwriting – To focus on forming our letters correctly.

Maths – We will be completing work on the following topics: place value and addition and subtraction.

Geography – we will be looking at maps and focusing on the differences between them.

Computing – We will be learning about computing systems and networks- Information technology around us.

R. E - We will be learning what the signs of belonging are for Jewish and Christian people.

Science – We will be identifying and sorting different materials.

PSHE – We will be learning about the Caring School/Feelings and Relationships.

P.E - Year 2 will be focusing on the fundamentals and team building.

DT – we will be looking at how we can make delicious food without cooking them first before we move on to how we can make and shape breads that are enjoyed around the world.
