20 October 2026

Dear Year 4 Parents/Carers

Year 4 Pollution Workshop

On Friday 13 November 2026, our Year 4 children will be taking part in an exciting workshop led by the School Library Service. The focus will be pollution and caring for our environment. Children will learn about different types of pollution, discover how it affects the world around us, and explore simple actions they can take to make a difference.

The workshop will take place in school. Your child will need to wear school uniform as normal.

The cost of the experience is free. You can consent for your child to take part via MCAS.

We believe that children learn best from first-hand experience, so school visits are an important part of the school year and make a positive contribution to children's development. Such visits can only take place if parents are willing to contribute towards their cost. We hope that you will be able to offer your support in our endeavour to offer broad educational experiences through visits. Parents are not obliged to contribute but if insufficient voluntary contributions are received then the visit will not be allowed to go ahead.

Photographs of the children participating in this event will be promoted and shared on our school website and Facebook page.

Yours faithfully

Miss Phillips
Year 4 Class Teacher
