Our CU centres in Barnsley, Doncaster, Rotherham and Sheffield all work slightly differently. So, take a look at the next page to find out how your child can join in.

Welcome

Welcome to the October 2026 edition of our SYCU Holiday Activity newsletter. It contains information about activities happening right across the region in the holidays, so why not take a look? Some activities are free, others are charged, but there's plenty to choose from. Remember, you can earn CU credits for taking part! All our Learning Destinations (approved activity providers) deliver activities throughout the year, so why not find their details and discover what's on offer?
www.childrensuniversity.co.uk/activity-search

CHILDREN'S UNIVERSITY - WHAT IS IT?

Children's University (CU) encourages children and young people to take part in extra learning activities in their own time (beyond the school day). They earn 1 CU credit per hour they take part, which leads to certificates and badges between 30 credits (Bronze Award) and 100 credits (Gold Fellowship). Some are presented at our Gold Awards Ceremonies (see the picture at the top!). We know it makes a difference - pupils have fun and make new friends as well as develop confidence, motivation and essential life skills. They're more likely to have better attendance, make more progress and achieve more at school.

Did you know...?

There are Children's University (CU) centres right across the country. Here in South Yorkshire, we have some of the UKs biggest CUs with tens of thousands of children and young people collecting hundreds of thousands of CU credits every year...that's amazing! You're amazing!

In the last few years, Barnsley, Doncaster, Rotherham and Sheffield CUs have been working together to share ideas on how we can make CU even better in South Yorkshire. This means that there are even more opportunities for children, young people and families to earn CU credits right across our region.

Not sure which CU centre your child belongs to?

It's which ever Council area that their school is covered by.
Not sure? Ask in school

And this Holiday Activity Newsletter is just one of the ways we're pulling our ideas together. So, just before every school holiday, look out for our newsletters packed full of ideas of places to visit, new things to try and activities to take part in.

The way CU members collect their credits is a little different in each area, so here's a quick guide...

How to collect your CU credits at Learning Destinations...

Barnsley, Doncaster & Rotherham CU members

- Take part in the CU activity
- Ask for the CU stamp code
- Write it in your Passport to Learning (if you have one)
- Log into CU Online
- Claim your credits using the CU stamp code

Sheffield CU members

- Take part in the CU activity

Sheffield Learning Destination:

- Ask the Learning Destination to sign your Passport to Learning
- Add your details to the CU register before you leave

Learning Destination beyond Sheffield:

- Ask the Learning Destination to sign your Passport inc. the CU stamp code
- Claim your credits here...

https://bit.ly/claimSCUcreditsbeyondSheffield

please note: Sheffield CU does NOT use CU Online

Home Learning Challenges!

We published 98 Home Learning Challenges during the summer 2021 – everything from making sock puppets to mini Olympics, and curating your own museum to making slime!

Looking for a creative Learning Destination?

Based in Hackenthorpe S12, Easel Peasel's offers a relaxed and engaging environment where children can develop their artistic capabilities.

Leading sessions with a wide range of materials — including, but not limited to, watercolours, acrylic paints and oil pastels — we encourage the children to express themselves through bold artworks, and offer them regular opportunities to showcase their work with our exhibitions!

If this sounds like something your child would be interested in, please check out our website https://easelpeasels.co.uk/ or social media profiles (@easelpeasels_sheffield on Instagram or @easelpeaselssheffield on TikTok), and get in touch with us at lindsey@easelpeasels.co.uk.

ICE SKATING

These are structured classes for all ages and abilities, based on the recognised Skate UK Learn to Skate programme, helping beginners learn to skate confidently and progress to more advanced skills. Lessons cover everything from basic balance and movement on the ice to higher-level techniques and even artistic elements like free skating and ice dancing.

ICE HOCKEY

These sessions help players build confidence, improve balance and coordination, and learn fundamental skills like skating, puck handling and teamwork.Ice hockey is energetic, social and great for developing fitness and resilience both on and off the ice.

Skaters must have passed Skate UK level 4 and Learn 2 skate hockey.

DIVING & SWIMMING

Diving is a fantastic sport for people who love swimming and gymnastics and want to boost water confidence, stay fit, get fit or just test their abilities. Participants will work through the Swim England Learn to Dive Framework, learning fundamentals from poolside safely through to skills from the 1 metre diving board

Participants must be able to swim 25 metres in deep water without goggles or have achieved Stage 4 on the Learn to Swim Framework

GYMNASTICS

Gymnastics offers a fun, structured programme for all ages that develops core skills such as strength, balance, flexibility and coordination through progressive activities from beginner to advanced levels. Through the Rise Gymnastics programme, participants learn fundamental movements and work toward new skills on the apparatus.

ATHLETICS

Participants will learn how to improve their running, jumping and throwing. Each session includes a warm up, games and event specific coaching. The sessions are split into age groups so participants will be in an age appropriate group and learning environment.

BASKETBALL

Basketball sports courses help kids aged 5–15 learn the rules, skills and techniques of the game through fun drills and coached play in a friendly, supportive setting.

BADMINTON

Badminton sports courses give children aged 7–15 the chance to learn the game in a fun, structure way, building core skills like hand-eye coordination, movement and understanding of the rules.

TRAMPOLINE

Trampolining lessons are exciting and dynamic classes allow you to jump, flip and learn new skills in a fun, safe environment. From beginners to more experienced jumpers, every level follows the British Gymnastics Trampoline Proficiency Awards, helping learners build strength, balance, coordination and confidence as they progress through the stages.
