

## Primary School Sports Grant Impact and Evaluation Report Academic Year 2018-19 Funding Statement

### Context of the Academy

Ravenfield Primary Academy is a partner school in Maltby Learning Trust. The academy is a one form entry school including Reception, with an onsite private nursery provider. Most pupils are from White British backgrounds and speak English as their first language. The proportion of pupils eligible for support through the pupil premium (additional government funding for looked after pupils, pupils known to be eligible for free school meals and those from service families) is below the national average.

The academy has outdoor facilities with two playgrounds with markings and small grassed areas. Currently, the larger school field is out of use until some repair work is completed. Work on the school field and additional resources to the playgrounds (trim trail/climbing equipment) will be completed during 2019-2020.

At Ravenfield Primary Academy we are committed to providing opportunities for all pupils to experience a wide range of high quality sports coaching, enabling them to fulfil their potential and achieve to the best of their ability. As well as healthy lifestyle encouragement, we want our pupils to enjoy physical activity and regularly engage in some form of competitive sports. We want them to engage with a range of sports and physical activities that will encourage a lifelong commitment to engagement and enjoyment.

We have collectively recruited Live and Learn Sports Company, based in Rawmarsh, who specialise in the delivery of high quality sports provision. We have jointly developed a weekly programme and annual plan to meet the specific needs of our pupils and the objectives of the PESG funding across 4 key areas of

- Developing quality professional development for staff
- Promoting Healthy Lifestyles
- Developing breadth and opportunity in extra -curricular physical activity and sport
- Providing wider opportunities for pupils to take part in competitive sport.

### Objectives of Primary School Sports Grant

The Physical Education and Sports Grant was introduced from April 2013 so that schools could improve the quality and breadth of their physical and sports education. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer.

Schools are free to determine how best to use the funding with the expectation that there will be an increased participation by pupils in PE & School Sport, and that they will develop healthy lifestyles.

Inspectors are looking to assess how schools are able to build capacity and capability to ensure that the improvements made now will benefit pupils joining the schools in the future years, as well as how the funding develops existing sports and PE on offer.

Ravenfield Primary Academy was allocated PSSG of £17,700 for the academic year 2018-19.

### Aims of the PSSG in 2018-19

- Support progression of high quality lessons through staff coaching/mentoring/CPD.
- Further develop the leadership opportunities offered to children of all ages.
- Enhance the range and types of sports/activities our children can take part in.
- Provide additional activities which allow our children to experience new and different sports
- Increase participation in competitive sport within school and with other local schools
- Provide wider opportunities to learn about and maintain a healthy lifestyle
- Enable pupils to experience new sports and activities that they have not previously enjoyed and reach at least the minimum 60 minutes a day of physical activity (30 mins at school)

<b>Total</b>	<b>1,485</b>	<b>189</b>	<b>648</b>	<b>504</b>	<b>144</b>	<b>1,485</b>
<b>Annual Cost</b>	<b>£9.86</b>	<b>£6,660</b>	<b>£3,996</b>	<b>£2,660</b>	<b>£1,330</b>	<b>£14,646</b>

### Additional Spending

Additional to the Live and Learn provision, school has spent £3000 on swimming provision.  
 A further £2000 has been spent on lunchtime and after school dance provision available to all year groups including FS2.

## Impact of Sports Premium Spending

### The sports premium funding has been used in the following ways;

- Due to implemented CPD, teaching staff have gained more confidence in delivering PE and increased subject knowledge of a range of sports and lesson types.
- Live and Learn coaches' knowledge and expertise during lessons, lunchtimes and extra-curricular sessions has allowed the children to be taught and introduced to a wider range of sports including football, rugby, basketball, cricket, rounders, tennis, hockey, high 5 netball and gymnastics.
- A wider range of children are continuing to have the opportunity to take part in both intra and inter-school competitions. We have seen an increase in the number and range of pupils taking part in competitive sports being led by Live and Learn such as football, rugby, netball, cricket, rounders and hockey.
- This year we have competed at South Yorkshire level twice in cross country attended Rotherham level events three times, an increase from last year's competitive sporting achievements.
- Provided by Live and Learn and Warehouse Dance, we have seen an increase in the number of children being active in school due to extra provision after school sports clubs.
- Due to monitoring, all children have had the opportunity to take part in sports activities over the year and some have competed in a variety of sports with the support of Maltby Schools Partnership.
- Approximately 92% of children in year 6 have met the national curriculum standard in swimming – as swimming is taught in year 4 this was generated from a survey of year 6 pupils. At the end of the Y4 programme of swimming lessons this year, 90% have met the Y6 expected swimming standard.

#### RAVENFIELD ACADEMY: KEY AREAS

	Objective	Action	Outcome
Competitive Sport	Increase the amount of competitive sport children have access to	To take advantage of as many opportunities as possible for our children to enter into competitions, ensuring they are well prepared, trained and able to compete.	We currently have access to a wide range of opportunities through our chosen partner Live and Learn Sports. This includes weekly fixtures within a mini league, regional final's day's and some WOW events at iconic local venue's. This has dramatically increased our involvement and the children's enjoyment in competitive sport.
Extra Curricular	To provide opportunities for children to access sports clubs and provide high quality training outside normal operating times	To engage with a specialist provider and design a programme of events to encourage engagement from as many children as possible.	We currently provide access to a wide range of after school clubs as well as holiday events, giving the children opportunities to try new sports or practice a sport they enjoy or are good at on a regular basis.
Healthy Lifestyle	For children to have a better understanding of healthy lifestyles and access to regular exercise throughout the day.	Focusing on the before school and lunchtime periods we want to encourage children to be active. This involves identifying children as ambassadors and providing opportunities for mild yet engaging physical activity.	Children are provided with opportunities to take part in different sports such as boccia, boxercise, cheerleading, la crosse, zumba and cross country running before school begins. Similar activities are encouraged during lunchtime but with a focus on mini challenges led by playtime leaders such as balance walk, skittles and velcro catch. We also promote healthy lifestyles in lunch meal choices and our literature around school.
Staff CPD	To increase the teaching staffs' subject knowledge and confidence in PE	To engage with a specialist in CPD delivery to work in tandem and deliver the full PE programme across all year groups.	Staff are provided with schemes of work, sessions plans available via a mobile APP and good practice modelled on a half termly basis to provide support and feedback in their learning and confidence of delivery.

\*Please note that before school running was not available this year.

**Plan for 2019-20 PSSG Spending by item / project**

**AIMS OF SPORTS PREMIUM SPENDING BEYOND SEPTEMBER 2019**

- To continue to ensure all PE lessons are 'good' or 'outstanding'
- To maintain a high profile for sport and physical education in school.
- Continue to take part in competitions within school and with other local schools.
- Enable pupils to experience new sports and activities that they have not previously enjoyed and reach at least the minimum 60 minutes a day of physical activity (30 mins at school)
- Strive to ensure all pupils who leave the academy can swim unaided
- To enhance the playground facilities to encourage active play (Trim trail/climbing equipment) and complete repairs to the field to enable use during PE for striking and fielding games.

**Estimate Projected Total SSPG for 2020-21 based on the new funding £ 17,700**
