MRS COATES' COMMENTS

I cannot believe that we are half way through the summer term. I just want to say how fantastic it has been to have everyone back in school. The children have been amazing and after the strangest year adapted well to being back in. We are still keeping a close eye on everyone's emotions to make sure that everyone is happy and coping well with back to school.

I believe strongly that school should provide memorable experiences for all of our children and this half term although we have not been on many visits out of school we have made the most of virtual experiences and more recently selected visitors in school. This has helped to keep the curriculum alive. Before we break up in the summer we are going to plan our curriculum to ensure that next year, all being well, we can get out and about as well as being in school.

Our children are reading everywhere at the moment. Our big focus is children reading out aloud either on their own, if they choose, or in a group. We have been working really hard at this and it is an absolute pleasure to hear the sound of reading around school.

I have included dates that we have so far in the calendar and more detail will follow. We have put a date for sports day as late as we could in the hope that it can go ahead with an audience. I will keep you posted.

Thanks again for all of your support, I am really looking forward to next half-term and into 2021-22 when we can have a long and exciting year in School!

KEEPING CHILDREN SAFE

Please can I make you aware that Maltby Learning Trust has released the following message on twitter: 'Maltby Learning Trust recognise that Safeguarding is everyone's responsibility and take child protection concerns seriously. Take a look at the new safeguarding page on our Academy websites – there are lots of resources to help keep children safe.' If you are worried about a child out of school, you can make an anonymous referral by completing the 'Worried about a Child' form on the Rotherham Safeguarding website.
