

English

This half term our key text will be Hansel and Gretel by Anthony Browne. We will be writing a poem about our senses, holding a debate about which character can be regarded as the ultimate hero and creating our own alternative ending to the story.

Our grammar will focus on word class and structuring sentences to enable us to use them in our writing.

Would Jamie Oliver approve of your packed lunch?

PE

PE is taught by Maltby Academy. This half term the children will be doing dance and racket skills.

Computing

In computing, we will be using a variety of software to design and create a short stop motion animation film.

Design and Technology

We will be looking at how a sandwich can form part of a healthy diet. We will then be designing, making and evaluating our own healthy sandwich.

Maths

This half term we will be multiplying and dividing 2-digit numbers by 1-digit numbers.

We will also be counting, adding and subtracting money, as well as measuring and comparing lengths in mm, cm and m.

PSHE/RE

In RE we will be learning about places of worship and in PSHE we will be learning about the benefits of healthy living.

Geography

We will be looking at the different uses of land in the UK and abroad. We will learn how to recognise these on a map using a key. We will also be thinking about where different types of food are grown.

Science

In science, we will be learning about animals including humans. We will learn about the skeleton and muscles and naming parts of them. We will also be looking at different diets, the food groups and which foods are most nutritious.

Spanish

This half term the children will be learning how to say different items we might find in our case. We will also be learning the names of pets and how to describe them using colours.

Learning Journey

Ravenfield Primary Academy - Year 3 - Spring 2 Term
