

English
We will be reading the following books:
Into the forest
The Proudest Blue

- We will be writing:
- A narrative
 - A leaflet
 - Instructions

Are all countries the same?

PE
In PE we will be working on skills in cricket and basketball.

Computing

This half term the children will be learning about **pictograms**. They will understand what the term **data** means and how data can be collected in the form of a **tally chart**. They will learn the term '**attribute**' and use this to help them organise data. They will then progress onto presenting data in the form of pictograms and finally **block diagrams**. The children will also use the data presented to answer questions.

Art and Design Technology
In Art we will be creating '**Rangoli Patterns**'.

We will be completing our learning about '**Dips and Dippers**'. This will involve the children preparing, eating, and evaluating their own dips.

Maths

In maths we will be working on the following themes:

- Fractions
- Time

RE/PSHE

RE

Our topic is '**Being fair and showing care**' - what can we learn from religious stories?

PSHE

This half term we will be learning about '**Growing and changing**'.

Geography

In Geography, we will be learning about a different country. We will be focusing on '**India**'.

We will learn about its **culture** as well as learning about the **physical** and **human** features of India too.

Science
We will continue with our learning about living things and their habitats

- The children will identify and name a variety of plants and animals in their habitats, including microhabitats
- The children will also describe the features of some animals and identify the needs of different plants and animals. They will suggest how an animal survives in its habitat and explain why the plants in a habitat need the animals and explain why the animals in a habitat need the plants.

Learning Journey

Ravenfield Primary Academy - Year 2 Summer 1
