

English

Our book of the half term will be *The Faraway Tree*, by Enid Blyton and we will be doing lots of work based around this story.

In writing, we will be focusing on writing narratives and diaries

Are plants alive?

PE

PE is taught by Maltby Academy. This half term the children will be doing cricket and basketball

Art and Design and Technology

In art, the children will be looking at art by Georgie O'keefe and making observational drawings of different plants.

We will also be having a Design and Technology day where the children will have the opportunity and design and make a small greenhouse.

Maths

This half term, we will be learning how to recognise fractions of amounts, as well as adding and subtracting fractions.

We will also be learning to tell the time on an analogue and digital clock and comparing times in seconds, minutes and hours.

Computing

In computing, the children will be using and creating databases.

PSHE

The children will be learning how to stay safe this half term both out and about and online.

Geography

We will be looking at the different uses of land in the UK and abroad. We will learn how to recognise these on a map using a key. We will also be thinking about where different types of food are grown.

Science

In science, we will be learning the different parts of plants and their functions. The life cycle of a plant and what plants need to grow.

Spanish

This half term the children will be learning how to say the days of the week, the names of fruit and snacks.

Learning Journey
