

# How did Florence Nightingale inspire the nurses of today?

## English

Pupils will be writing narratives based on The little red riding hood. We will also write information texts and poetry.

## Maths

Pupils will follow the 'White Rose' scheme of work. This half term we will cover the following units:

- Place value (within 10)
- Addition and subtraction (within 10)

## Science

In Year 1 we will explore materials, we will be looking at the difference between objects and materials as well as look at the properties of different materials. We will conduct investigations to decide which materials are most suitable for making a rain mac based on their properties. We will also begin to look at Seasonal change and observe the signs of Autumn.

## Art

In art we will be focusing on sketching to create observational drawings and portraits.

## PE

Children will take part in football taught by Maltby Academy. They will also be taking part in ball skills this half term.

## Humanities

Year 1 will explore significant historical events in their own locality, we will use the figure of Florence Nightingale to understand her impacts on nursing today comparing her work to that of nurses during the pandemic of 2020.

## Computing

Children will develop their basic computing skills to log on safely. Children will also learn about technology all around us as well as their self-image online.

## Music

In Year 1 children will identify and explore pulse in music.

## RE/PSHE

Children will be exploring the theme of belonging in RE.

In PSHE children will be exploring the caring school and Feelings, friends and friendships

# Learning Journey

Ravenfield Primary Academy - Year 1 - Autumn 1
