- Hibernation (non-chronological report)

What was it like to live in the past?

PE
In PE, we will be covering work on netball and football.

Maths
In maths we will be working on the following themes:

- Place Value
- Addition and subtraction
- Times tables

Computing
Computing systems and networks-
Information technology around us.

Art
In art, we will be developing our use of pencils for sketching. We will use a viewfinder to identify patterns and features in buildings. We will experiment with techniques for working with paper before interpreting Consibrough Castle through collage.

PSHE
The Caring School/Feelings and Relationships

We will be learning that families are important for children growing up because they can give love, security, and stability.

History & Geography
In history, we will learn about significant people (William the Conqueror and William de Warenne) and places (Consibrough Castle) in their own locality. We will look at the Bayeaux Tapestry as an historical source.

Science
Uses of Everyday Materials
Identifying and comparing the suitability of a variety of everyday materials.

Finding out how the shapes of solid objects made from some materials can be changed by squashing, bending, and stretching.

RE
In RE, we will be learning what the signs of belonging are for Jewish and Christian people.
