

English

We will be writing a narrative, diary and instructions

Spelling, punctuation and grammar will be linked with each of the different genres.

In reading, we will continue to read 'The Wild Robot'

Can you lose your shadow?

Computing

The focus of computing this half term is desktop publishing.

Maths

We will follow the White Rose Scheme of work and cover the following units:

- Multiplication and division
- Measurement

DT

In art we will be looking at different type of puppets before designing and making our own along with our own puppet theatres.

Science

We will continue our unit on forces and magnets, after we will start our unit on light.

PSHE/RE

This term in PSHE we will be learning about belonging, differences, bullying, fair and unfair.

In RE we will be learning about Hinduism, within this we will be looking at the different Gods, worship and festivals.

Geography

We will learn about and carry out our own fieldwork study. After we will focus on the UK and its features.

Spanish

During the Summer term we will be learning about:

- Numbers (11-20)
- Colours
- phonic sounds

Music

This year we will be learning how to play the cornet with the Rotherham Music Service.
