

Here you will find lots of information about the curriculum, how to help your child at home and any other notes. If you have any questions, please ask the class teacher. Our current learning journey is: **If you go down to the woods at night, what do you think you'll find?**

Homework Menu

- Go on a 'Season Walk' in your local area hunting for signs of Autumn. What do you notice? You could draw pictures or take photographs of what you see and collect some Autumn treasures along the way!
- Use Autumn themed objects to create a picture or collage e.g. using conkers, leaves or pinecones.
- Don't forget to share your library book with your family and record this in your reading record to earn dojo points. You can also record other books you read at home too!

Reminders

- Our PE day is Wednesday.
- In week 1 we have a visit from 'Owl Adventures' where we will get to meet some birds of prey!

Learning Journey

- FS1 are learning about Nocturnal Animals this half term.
- The core texts we will be reading are Pumpkin Soup, The Very Helpful Hedgehog, The Leaf Thief and Stick Man.
- In Maths we will be beginning to count objects using one to one correspondence, compare amounts and make comparisons relating to size, length, weight and capacity.
- We will find out about the artist Eric Carle and create our own woodland animal masks using Carle's techniques.
- We will also be observing and talking about the changes we notice in Autumn.
