Dear Parents and Carers

VACANCY FOR A PARENT GOVERNOR

As I am sure you will be aware, the constitution of the Local Governance Committee for Ravenfield Primary Academy has two places reserved for parent governors who are elected by the parents/carers of children attending the school. These roles are currently held by Lynsey Hobson and Scott Brighton, who, like other governors, hold this position for a term of 4 years. I am writing to inform you that Scott Brighton's current term of office ends on 5th October 2020. Scott has made a valued contribution to the governance of the academy and has expressed a willingness to continue for a further term. Re-election is not automatic however, as other parents may also wish to put themselves forward for election as parent governor.

Might you be interested in becoming a parent governor?

- ❖ **Being a governor requires time and commitment, but is a very valuable way of contributing to the education of *all* children at the school**
- ❖ **If you think you might be interested in this important role, then please visit the *LATEST NEWS* on the home page of the school website www.ravenfieldprimaryacademy.com/ where you will find an information sheet with links to more details about the role that governors play in the life of the school and what to do next if you are keen to express interest**

On behalf of fellow governors, I look forward to hearing from parents who may be interested in joining the local governance committee, now or in the future.

With best wishes

Liz Buxton

Mrs E M Buxton
Chair of Local Governance Committee
